RE: Provisional Certification of AutoMARK 1.1 specific to Unity 3.0.1.0

Dear Ms. McKay:

The voting system modification identified as ES&S AutoMARK Voting System v 1.1 (specific to Unity 3.0.1.0) has been evaluated at an accredited testing laboratory for conformance to the *2002 Voting System Standards*. This provisional certification applies only to the specific version and release of the product in its evaluated configuration and only for the duration of the EAC Interim Certification Program. The evaluation has been verified by EAC Technical Reviewers in accordance with the provisions of the EAC Pre-Election Voting System Certification Program. The review finds that the conclusions of the testing laboratory are consistent with the evidence adduced. This certification is not an endorsement of the product by any agency of the U.S. Government and no warranty of the product is either expressed or implied.

Sincerely,

A handwritten signature in black ink, appearing to read "T. Wilkey", written in a cursive style.
